application deadline will not be  
eligible for review.

AHS is an equal opportunity  
employer that is against  
discrimination, sexism, religious  
discrimination, etc. These actions  
**will not** be tolerated at AHS.

## RESIDENCY APPLICATION

We're so excited that you've decided to apply for the AuD Residency Position at Area Hearing & Speech, INC. (AHS). AHS is committed to furthering audiology and speech pathology education for the next generation of practitioners. This residency program includes clinical hands-on experience in pediatric and adult audiological and vestibular care. This internship will help students understand the field and learn to become independent while practicing. AHS seeks hard-working individuals with cheerful, optimistic, and committed attitudes. Students will work with doctors and hearing instrument specialists with hands-on patient care. Respect and a willingness to learn are requirements for this year-long residency position.

## APPLICATION INSTRUCTIONS

Please include the following information in your application:

1. A current resumé.
  - This should include your education, clinical experience(s), and any previous research you may have participated in during your graduate studies.
2. Two letters of recommendation from a current educator and a former clinical preceptor.
3. An application essay. (Directions for what should be included in the report can be found below.)

## APPLICATION ESSAY

Please write a one to two-page essay (double-spaced) describing your passion for audiology and the area in which you are most interested. While the science of audiology is critical, understanding our patient clientele and their communicative needs is equally important.
